

# STREETCAR SAFE

KIDS SAFETY

# KIDS SAFETY

- Always look both ways before crossing the tracks. Never cross in front of a moving streetcar since streetcars cannot stop quickly.
- Obey all signs and traffic signals.

- Streetcars are very quiet, so pay attention and don't use headphones, hand-held games or mobile devices near streetcar tracks.

- Never cross or run in front of an approaching streetcar or between two stopped vehicles.
- Wait until traffic has stopped before crossing and only cross at designated crosswalks. Just because you see the driver doesn't mean the driver sees you.
- Ride bikes across the tracks at a right angle or in a straight line.
